Re: Determination on claim C-1068 under policy MOT-0000062

Dear Sandra Dooley,

We have completed our review of your Motor claim for the rear-end collision loss reported to have occurred on 24/03/2025. After careful consideration of the facts and the terms of your policy, we regret to inform you that this claim has been denied.

The basis for this determination is that the damage claimed is attributable to wear and tear, which the policy does not cover. This decision is made in accordance with the applicable provisions of your policy.

If you believe this determination is in error or wish to provide additional information, you may contact your adjuster to request a review.

Sincerely,

**Alexandrie de la Auger**
